2° VISITA DI MONITORAGGIO

Action A2 - Constitution of the Stakeholder Platform (SP)

Description and methods

Action A2 aims to form a Stakeholder Platform (SP), i.e. a group of stakeholders who will provide contribution both during the project and after the project 's end.

Members of the SP will be:

- Lead farmers
- Main food industries of the food chains considered in the project (i.e. wheat – pasta, tomato – sauce, sunflower – oil, barley – beer, legumes – pasta and tins)
- Farmers associations and consortia
- Local, regional and national authorities (i.e., Regional Governments, Municipalities and Environment and Agriculture Ministries)

Stakeholders participating to the SP will be actively involved in action C8, the involvement will be performed through specific meetings, participation to surveys, field visits and training and testing of the innovations.
